Google Analytics	We use Google Analytics on our corporate website. Google Analytics mainly uses first-party cookies, data related to the device/browser, IP address and on-site/app activities to measure and report statistics about user interactions while on our site. Users may disable cookies or delete any individual cookie. Google Analytics also collects Internet Protocol (IP) addresses to provide and protect the security of the service, and to give us a sense of which country, state, or city in the world our users come from (also known as "IP geolocation").
